A FRESH RED EVERY POUR

Innovation for wines by the glass. The Coravin System is a unique wine preservation system, developed in the US by Greg Lambrecht. It lets us easily pour from our best bottles, while leaving the cork where it's been since it was first sealed in the winery.

DALRYMPLE VINEYARDS TASMANIAN PINOT NOIR 2019

Juicy plum and dark fruits on the palate are courtesy of a low yielding, long growing season. Tannins are bold and round, balanced with fine natural acidity and a long finish of blue fruits and five spice.

150ml pour **\$18.00** / bottle **\$89.00**

POINTS

WIRRA WIRRA CATAPULT 'ELEVATED VINEYARDS' SHIRAZ 2018

Bright red and blue fruits. Extraordinarily plush with supple tannins, there is nevertheless an energy and vibrancy throughout. Despite such generosity of fruit and texture, the wine just manages to remain medium-bodied.

150ml pour **\$14.00** / bottle **\$59.00**

POINTS

YALUMBA THE SIGNATURE CABERNET SAUVIGNON & SHIRAZ 2016

This Cabernet Shiraz blend shows precise aromatics and is classically rich through the middle palate with exotic florals, cranberry complexity with a long, flowing, precise tannin profile. Very stylish.

150ml pour **\$28.00** / bottle **\$125.00**

antipodes

WATER COMPANY LIMITED

We recommend that you enjoy Antipodes Water with your wine

Fine water is a central element in the enjoyment of wine and cuisine - its sole purpose is to hydrate and refresh, whilst cleansing the palate. For this reason we sought out the source of Antipodes deliberately to offer a mineral water that is perfectly suited to enhancing fine dining. In its minerality artesian water naturally carries the fingerprint of the geology through which it flows.

The subtle minerality present in every taste of Antipodes is an expression of its terroir. High mineral content is common in many waters, but it has a significant drying and flavouring effect on the palate. Antipodes has a very low natural minerality, comprised mainly of silica. This makes it the ideal table water for any occasion.

500ml Sparkling or Still Water **\$6.50** / 1 Litre Sparkling or Still Water **\$10.50**
